Welcome!

Christ Church is unique in that our College Chapel is also a Cathedral, and you are warmly invited to share in the regular rhythm of prayer, and also the special events and services that take place throughout the term. The chaplaincy is a welcoming, joyful and inclusive Christian community, and you are welcome to come along regardless of your faith background.

The Chaplain will be very pleased to help any student of any faith to find a place to worship, or to connect with a faith community in Oxford. Here is a comprehensive link to the many faith communities on the university and the city: https://edu.admin.ox.ac.uk/faith-societies

Due to Covid-19 we are all learning to be adaptable and flexible in our approach, and so we aim to hold a mix of in-person and online services throughout the term. This may change and so for up-to-date information please check the College website.
