Safeguarding at Christ Church Cathedral:

Quick Reference Guide
‘The care and protection of children, young people and vulnerable adults involved in Church activities is the responsibility of the whole Church. Everyone who participates in the life of the Church has a role to play in promoting a Safer Church for all.’

(from the introduction to Promoting a Safer Church, CoE, 2017)

Christ Church Cathedral has adopted the Safeguarding policy statement for children, young people and adults: Promoting a Safer Church (House of Bishops) 2017 and is committed to:

• Promoting a safer environment and culture;
• Safely recruiting and supporting all those with any responsibility related to children and vulnerable adults;
• Responding promptly to every safeguarding concern or allegation;
• Caring pastorally for victims/survivors of abuse or other affected persons;
• Caring pastorally for those who are the subject of concerns/allegations of abuse and other affected persons;
• Responding to those that may pose a present risk.

If you have any concerns for the safety and wellbeing of others or yourself (including safeguarding concerns past, present or in relation to the likelihood of harm) or if you have concerns about the conduct or behaviour of a ‘church officer’ member of staff or volunteer, or of other visitors to the Cathedral, then please report them directly to a member of the Cathedral staff (such as a verger, a volunteer, the Visitor Officer, the Education Officer) or to one of the Cathedral Safeguarding Leads – or to someone you trust to act.
